**PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON**

JUNE 4, 2019

This Proxy Statement, which is first being made available to stockholders on approximately April 25, 2019, is furnished in connection with the solicitation by the Board of Directors of Destination Maternity Corporation (the “Company”) of proxies to be used at the 2019 Annual Meeting of Stockholders of the Company (the “Annual Meeting”), to be held at 9:15 a.m., Eastern Daylight Time, on Tuesday, June 4, 2019, at 232 Strawbridge Drive, Moorestown, NJ 08057, and at any adjournments or postponements thereof. All properly executed written proxies and all properly completed proxies submitted by telephone or Internet that are delivered pursuant to this solicitation will be voted at the meeting in accordance with the directions given in the proxy, unless the proxy is revoked prior to completion of voting at the meeting. If no instructions are given on a properly executed or completed proxy, the shares of the Company’s common stock (“Common Stock”) represented thereby will be voted (i) for the election of the nominees for director named herein, (ii) for the ratification of the appointment of BDO as independent registered public accountants, (iii) for approval, on an advisory basis, of the compensation of the Company’s named executive officers, and (iv) in accordance with the recommendations of the Board on such other business as may properly come before the Annual Meeting or any adjournments thereof. Any proxy may be revoked by a stockholder prior to its exercise upon written notice to the Secretary of the Company, by delivering a proxy bearing a later date or by the vote of a stockholder cast in person at the Annual Meeting.

VOTING

Holders of record of Common Stock on April 15, 2019, the record date, will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of that date, there were 14,385,497 shares of Common Stock outstanding and entitled to vote. The presence, in person or by proxy, of holders of Common Stock entitled to cast at least a majority of the votes which all holders of the Common Stock are entitled to cast will constitute a quorum for purposes of the transaction of business. Each share of Common Stock entitles the holder thereof to one vote on the election of each of the nominees for director and on any other matter that may properly come before the Annual Meeting. Stockholders are not entitled to cumulative voting in the election of directors.

The Company’s By-laws provide for majority voting in uncontested director elections. In order to be elected in an uncontested election, a nominee must receive a majority of the votes cast with respect to his or her election (or re-election, in the case of any nominee who is an incumbent director), which means the number of votes “for” a nominee must exceed the number of votes “against” that nominee. Abstentions are not counted as votes cast. All five incumbent director nominees have tendered a contingent resignation which would become effective if

[Table of Contents](#)

(i) the director election is uncontested, (ii) the nominee does not receive a majority of the votes cast with respect to his or her election at the Annual Meeting and (iii) the Board of Directors accepts such resignation. If an incumbent director nominee receives a greater number of votes cast against his or her election than in favor of his or her election (excluding abstentions) in an uncontested election, the Board of Directors will decide, through a process managed by the Nominating and Corporate Governance Committee, whether to accept the resignation based on all factors deemed relevant by the members of the Committee. The Board of Directors' explanation of its decision will be promptly disclosed in accordance with the rules and regulations of the Securities and Exchange Commission (the "SEC"). Any director nominee not already serving on the Board of Directors who fails to receive a majority of votes cast in an uncontested election will not be elected to the Board of Directors.

Adoption of Proposals 2 and 3 requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting.

Abstentions and broker non-votes (described below) are counted in determining whether a quorum is present. Abstentions with respect to any proposal other than the election of directors (Proposal 1) will have the same effect as votes against the proposal because the approval of any such proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the beneficial owners have not instructed the broker on how to vote on such proposals and the broker does not have discretionary authority to vote in the absence of instructions. Brokers are entitled to vote uninstructed shares with respect to proposals that are considered to be "routine" within the meaning of applicable rules (such as Proposal 2), but brokers are not entitled to vote uninstructed shares with respect to other matters. Broker non-votes are not considered to be shares "entitled to vote" (other than for quorum purposes), and will therefore have no effect on the outcome of Proposal 2 or 3.

The cost of solicitation of proxies by the Board of Directors will be borne by the Company. Proxies may be solicited by mail, personal interview, telephone or facsimile and, in addition, directors, officers and regular employees of the Company may solicit proxies by such methods without additional remuneration. Banks, brokerage houses and other institutions, nominees or fiduciaries will be requested to forward the proxy materials to beneficial owners in order to solicit authorizations for the execution of proxies. The Company will, upon request, reimburse such banks, brokerage houses and other institutions, nominees and fiduciaries for their expenses in forwarding such proxy materials to the beneficial owners of the Common Stock.

CORPORATE GOVERNANCE

Board of Directors Leadership Structure

The Board of Directors' policy is that the roles of the Non-Executive Chair of the Board of Directors and the Chief Executive Officer should be separate and should not be held simultaneously by the same individual, thus enabling the Board of Directors to benefit from independent leadership. Anne-Charlotte Windal, an independent director, has served as the Non-Executive Chair of the Board of Directors since May 29, 2018.

Inasmuch as the Non-Executive Chair of the Board of Directors has been independent, the Board of Directors does not believe that a lead independent director will be currently necessary. However, the Board of Directors in executive session will establish a lead independent director in the event of the need for emergency succession actions with respect to either or both the Non-Executive Chair and the Chief Executive Officer or for other purposes as the Board of Directors may determine. The independent directors who chair the Company's Audit, Compensation, and Nominating and Corporate Governance Committees also provide leadership to the Board of Directors in their assigned areas of responsibility. The Board of Directors believes its current structure and operation as described here properly safeguard the independence of the Board of Directors.

Corporate Governance Principles

We maintain Corporate Governance Principles that provide a structure within which directors and management can effectively pursue the Company's objectives for the benefit of its stockholders. Our Corporate Governance Principles are available on the Company's investor website at <http://investor.destinationmaternity.com> or are available to our stockholders by writing to our Secretary at the following address: Destination Maternity Corporation, Attention: Secretary, 232 Strawbridge Drive, Moorestown, New Jersey 08057.

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics is designed to promote the highest standards of business conduct in our relationships with each other and with our customers, suppliers and others. The Code of Business Conduct and Ethics contains basic principles to guide directors, officers and employees of our Company. Our Code of Business Conduct and Ethics is available on the Company's investor website at <http://investor.destinationmaternity.com> or is available to our stockholders by writing to our Secretary at the following address: Destination Maternity Corporation, Attention: Secretary, 232 Strawbridge Drive, Moorestown, New Jersey 08057.

Board of Directors Independence

The Company's Corporate Governance Principles require that a majority of the Company's directors be independent. The Nasdaq Stock Market ("Nasdaq") listing standards require that a majority of the Company's directors be independent and that the Audit, Compensation, and Nominating and Corporate Governance Committees be comprised entirely of independent directors. The Board of Directors has adopted standards to assist it in making the annual determination of each director's independence status. These director independence standards, which are set forth in our Corporate Governance Principles, are consistent with the Nasdaq listing standards. A director will be considered "independent" if he or she meets the requirements of our director independence standards and the independence criteria in the Nasdaq listing standards.

The Board of Directors has affirmatively determined that all of the Company's current and nominee directors other than Ms. Ryan, our Chief Executive Officer, have no direct or indirect material relationship with the Company and satisfy the requirements to be considered independent.

[Table of Contents](#)

The Board of Directors has determined that each of the Company's current Audit, Compensation, and Nominating and Corporate Governance Committees is composed solely of independent directors. Independence for Audit Committee purposes requires compliance with applicable independence rules of the SEC in addition to the Nasdaq listing standards. In making the independence determinations for the Board of Directors and its committees, the Board of Directors reviewed all of the directors' relationships with the Company. This review is based primarily on a review of the responses of the directors to questions regarding employment, business, family, compensation and other relationships with the Company and its management.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is currently or has been an officer or employee of the Company. No interlocking relationship exists between any member of the Company's Board of Directors and the compensation committee of any other company.

The Board of Directors and Committee Meetings

During the year ended February 2, 2019 ("fiscal year 2018"), the Board of Directors held 3 meetings that were called and held in person and 22 meetings that were called and held telephonically. Each incumbent director attended at least 75% in the aggregate of the total number of meetings of the Board of Directors and committees of the Board of Directors on which he or she served at the time of such meetings.

We expect all of our directors to attend the annual meetings of stockholders. All of our then-current directors attended last year's annual meeting of stockholders, with the exception of Mr. Michael J. Blitzer.

The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee.

Audit Committee. During fiscal year 2018, the Audit Committee, which consisted of Mr. Barry Erdos, *Chair*, Mr. Blitzer, and Mr. Peter P. Longo prior to the 2018 annual meeting of stockholders (the "2018 Annual Meeting"), Mr. Christopher Morgan, *Chair*, Ms. Andrea Funk and Ms. Anne-Charlotte Windal at the end of the fiscal year, and currently Mr. Gregory Kleffner, Mr. Morgan, *Chair* and Ms. Windal, held 1 meeting that was called and held in person and 4 meetings that were called and held telephonically. Mr. Erdos previously served as the "audit committee financial expert" as defined under the rules and regulations of the SEC. For part of fiscal year 2018, the Board did not designate any individual Board member as an "audit committee financial expert," however, the Board believes the level of financial knowledge, background and experience of the members of the Audit Committee, including the ability to read and understand financial statements and the rigor with which they approached their duties, was cumulatively sufficient to discharge the Audit Committee's responsibilities during this period. Gregory Kleffner, who was appointed to the Audit Committee on March 29, 2019, currently serves as the "audit committee financial expert." No members of the committee have a direct or indirect material relationship with the Company and all members of the committee satisfy the independence criteria in the Nasdaq listing standards. The function of the Audit Committee is to assist the Board of Directors in preserving the integrity of the financial information published by the Company through the review of financial and accounting controls and policies, financial reporting requirements and alternative accounting principles that could be applied and the quality and effectiveness of the independent registered public accountants. The Audit Committee's charter is posted on the Company's investor website at <http://investor.destinationmaternity.com>.

Compensation Committee. During fiscal year 2018, the Compensation Committee, which consisted of Mr. Longo, *Chair*, and Mr. Erdos prior to the 2018 Annual Meeting, Ms. Windal, *Chair*, and Mr. Morgan at the end of the fiscal year, and currently Mr. Kleffner, Mr. Morgan and Ms. Windal, *Chair*, held 1 meeting that was called and held in person and 5 meetings that were called and held telephonically. The Compensation Committee

[Table of Contents](#)

considers recommendations of the Company's management regarding compensation, bonuses and fringe benefits of the executive officers of the Company, and determines whether the recommendations of management are consistent with general policies, practices, and compensation scales established by the Board of Directors. In addition, the Compensation Committee administers the Company's equity-based compensation plans. The Compensation Committee also reviews, and discusses with management, the Compensation Discussion and Analysis ("CD&A") to be included in the Company's annual proxy statement or annual report, as applicable, and determines whether to recommend to the Board of Directors that the CD&A be included in the proxy statement or annual report. The Compensation Committee's charter is posted on the Company's investor website at <http://investor.destinationmaternity.com>.

Nominating and Corporate Governance Committee. During fiscal year 2018, the Nominating and Corporate Governance Committee, which consisted of Mr. Erdos, *Chair*, Mr. Blitzer, and Mr. Pierre-André Mestre prior to the 2018 Annual Meeting, Ms. Funk, *Chair* and Mr. Morgan at the end of the fiscal year, and currently Ms. Gavales, *Chair* and Mr. Morgan, held 1 meeting that was called and held in person and 4 meetings that were called and held telephonically. The Nominating and Corporate Governance Committee functions include establishing the criteria for selecting candidates for nomination to the Board of Directors, actively seeking candidates who meet those criteria, and making recommendations to the Board of Directors of nominees to fill vacancies on, or as additions to, the Board of Directors.

The Nominating and Corporate Governance Committee will consider director candidates who have relevant business experience, are accomplished in their respective fields, and who possess the skills and expertise to make a significant contribution to the Board of Directors, the Company and its stockholders. It is the Nominating and Corporate Governance Committee's policy to consider director nominees in a manner that seeks to produce the best candidates with a diversity of qualities, backgrounds and complementary skills. Director nominees should have high-leadership business experience, knowledge about issues affecting the Company and the ability and willingness to apply sound and independent business judgment. The Nominating and Corporate Governance Committee applies the same criteria to nominees recommended by stockholders. Such recommendations should be submitted in writing to the attention of the Nominating and Corporate Governance Committee, c/o Destination Maternity Corporation, 232 Strawbridge Drive, Moorestown, New Jersey 08057, and should not include self-nominations. The Nominating and Corporate Governance Committee's charter is posted on the Company's investor website at <http://investor.destinationmaternity.com>.

Board of Directors Role in Risk Oversight

The Board of Directors takes an active role in risk oversight. The Board of Directors oversees the Company's strategic planning and the risks inherent in the operation of its business. The Board of Directors administers its risk oversight function through the full Board of Directors and each of its committees. The management of the Company, which is responsible for day-to-day risk management, identifies and assesses the Company's risks on a regular basis, and develops steps to mitigate and manage risks. The Board of Directors exercises its risk oversight function by making inquiries of management with respect to areas of particular interest. Each of the committees of the Board of Directors is responsible for oversight of risk management practices for categories of top risks relevant to their functions, as summarized below.

The Audit Committee assists the Board of Directors with its risk oversight in a variety of areas, including financial reporting, internal controls, and legal and regulatory compliance. The Audit Committee has oversight of the Company's internal audit function and the Company's Code of Business Conduct and Ethics. The Audit Committee also appoints the independent registered public accounting firm and approves the services it provides to the Company. The Compensation Committee oversees risk in connection with compensation programs, including incentive compensation plans and equity-based plans. The Nominating and Corporate Governance Committee oversees risk in connection with corporate governance practices. All of these committees make regular reports of their activities to the full Board of Directors.

Compensation of Directors

Pursuant to our Non-Employee Director Compensation Policy (the full text of which is posted on our investor website at <http://investor.destinationmaternity.com>), during fiscal year 2018 each of our non-employee directors was entitled to receive a retainer of \$12,500 per quarter. In addition, during fiscal year 2018, each non-employee director who is a member of a committee was paid an additional quarterly retainer as follows:

	<u>Additional Quarterly Retainer (\$)</u>

Audit Committee Member	1,875
Compensation Committee Chair	3,750

Nominating and Corporate Governance Committee Chair	2,500
Nominating and Corporate Governance Committee Member	1,250

During fiscal year 2018, our Non-Executive Chair received an additional retainer of \$6,250 per quarter. Non-employee directors are not compensated for attendance at meetings of our Board of Directors or committees of the Board of Directors on which they serve; however, they are reimbursed for their reasonable travel expenses incurred to attend meetings of our Board of Directors or committees of the Board of Directors on which they serve. Directors who are also our employees receive no additional compensation for serving as a director or as a member of any committee of the Board of Directors.

Following our 2018 Annual Meeting, in accordance with the Company's Non-Employee Director Compensation Policy, on May 29, 2018, the Company granted each non-employee director who was elected to the Board of Directors at such meeting (other than Mr. Morgan) 4,000 shares of restricted stock, and our Non-Executive Chair received an additional 2,000 shares of restricted stock. In addition, Ms. Funk was granted 4,000 shares of restricted stock on August 31, 2018, in connection with her appointment as a director on August 13, 2018. Grants of restricted stock to our non-employee directors vest on the earlier of: (1) one year from the date of grant, or (2) one day before the Company's next Annual Meeting of Stockholders, subject to acceleration in the event of the non-employee director's death or disability or upon a change in control of the Company.

The Company's equity ownership guidelines applicable to non-employee directors require each non-employee director to own shares of our Common Stock having an aggregate fair market value equal to or greater than four times the annual cash retainer then payable to such non-employee director (excluding retainers for committee or chair service). Non-employee directors have three years from the date of their initial election to satisfy the guidelines. All of our current non-employee directors are within the three-year grace period under the guidelines to achieve the required level, and none have yet achieved the required level.

Certain Relationships and Related Party Transactions

Our Board of Directors recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof). Pursuant to the Company's Code of Business Conduct and Ethics, information about transactions involving related parties is reviewed by the Audit Committee. It is the Company's policy that all business decisions will reflect independent judgment and discretion, uninfluenced by considerations other than those honestly believed to be in the best interests of the Company and its stockholders. Any direct or indirect conflict of interest between the Company and any director, officer or employee is prohibited unless otherwise consented to by the Audit Committee in accordance with the Code of Business Conduct and Ethics. Related parties include Company directors, nominees for director, and executive officers, as well as their immediate family members. Related party transactions include transactions, arrangements or relationships pursuant to which the judgment and discretion of a director, officer or employee is or may be influenced by considerations of personal gain or benefit, or gain or benefit to a third party, whether or not affiliated with the director, officer or employee.

When reviewing a related party transaction, the Audit Committee will use any process and review any information that it determines is appropriate. The Audit Committee takes into consideration all of the relevant facts and circumstances available to it, including (if applicable), but not limited to: (i) the material terms and conditions of the transaction or transactions; (ii) the related party's relationship to the Company; (iii) the related party's interest in the transaction, including their position or relationship with, or ownership of, any entity that is a party to or has an interest in the transaction; (iv) the approximate dollar value of the transaction; (v) the availability from other sources of comparable products or services; and (vi) an assessment of whether the transaction is on terms that are comparable to the terms available to us from an unrelated third party. All related party transactions will be disclosed in accordance with SEC rules.

In the event the Company becomes aware of a related party transaction that was not previously approved or ratified by the Audit Committee or management, the Company shall evaluate all options available, including ratification, revision or termination of the transaction. To the Company's knowledge, since February 3, 2018 no related party has had a material interest in any of our business transactions or relationships.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities (collectively, "Reporting Persons") to file with the SEC initial reports of ownership (on Form 3) and reports of changes in ownership of the Common Stock and other equity securities of the Company (on Forms 4 and 5). Reporting Persons are additionally required to furnish us with copies of all Section 16(a) reports they file.

To our knowledge, based solely upon a review of the copies of such reports furnished to us, all Section 16(a) reports for the fiscal year ended February 2, 2019 were timely filed, with the exception of Mr. Schriver, who did not timely file two reports on Form 4 covering three transactions; and Ms. Windal who did not timely file one report on Form 4 covering one transaction.

EXECUTIVE COMPENSATION

Overview

The Compensation Committee of our Board of Directors (the “Committee”) has developed and implemented compensation policies, plans, and programs that seek to enhance our profitability, and thus stockholder value, by aligning the financial interests of our senior management with those of our stockholders. Our compensation arrangements are designed to attract and retain corporate officers and other key employees and to motivate them to perform to the full extent of their abilities, in the best long-term interests of our stockholders.

The Company operates on a 52/53-week fiscal year ending on the Saturday nearest January 31 of each year. References in this discussion to our fiscal year 2018 refer to the fiscal year, or periods within such fiscal year, which began February 4, 2018 and ended February 2, 2019. References to our fiscal year 2017 refer to the fiscal year, or periods within such fiscal year, which began January 29, 2017 and ended February 3, 2018.

This discussion of our executive compensation program, and the tables that follow, focuses on our “named executive officers,” which are defined pursuant to SEC rules. Our “named executive officers” for fiscal year 2018 are: Marla Ryan, our current Chief Executive Officer; David Helkey, our current Chief Financial and Operating Officer; Rodney Schriver, our current Senior Vice President and Chief Accounting Officer; Melissa Payner-Gregor, our former interim Chief Executive Officer; David Stern, our former Executive Vice President and Chief Financial Officer; and Ronald Masciantonio, our former Executive Vice President and Chief Administrative Officer.

Composition of the Committee

Ms. Windal, Mr. Kleffner and Mr. Morgan serve on the Committee, and each is considered to be an “independent director” under the applicable NASDAQ and SEC rules. The Committee meets at least annually regarding executive compensation decisions.

Significant Personnel Developments

In fiscal year 2018, following our 2018 Annual Meeting, our Board of Directors focused on our Company’s continuing transformation, with an emphasis on Company-wide performance and improving shareholder value. As part of implementing a comprehensive and attainable business plan geared toward accelerating revenue growth, rationalizing expenses, and improving our profitability, the Board sought to facilitate necessary leadership shifts to drive change and realize our transformational goals. Key changes in our executive management team during fiscal year 2018 are summarized below.

Resignation of Melissa Payner-Gregor and Appointment of Marla Ryan

Ms. Payner-Gregor was named the Company’s interim Chief Executive Officer effective January 3, 2018. However, following our 2018 Annual Meeting, Ms. Payner-Gregor resigned from her position on May 29, 2018 to pursue other opportunities, and in connection with her resignation, Ms. Ryan was appointed as our Chief Executive Officer.

In connection with her interim appointment, Ms. Payner-Gregor entered into a letter agreement with the Company, pursuant to which her base salary was set at an annual rate of \$620,000 and she was entitled to receive a cash bonus of \$50,000 upon the earlier of her termination by the Company or employment through June 30, 2018 (the “Interim Bonus”). Pursuant to a separate March 22, 2018 letter agreement by and between the Company and Ms. Payner-Gregor, upon Ms. Payner-Gregor’s cessation of service, the Company agreed to pay the applicable premium for Ms. Payner-Gregor’s and her dependents’ COBRA continuation coverage (including any tax withholding required in connection with that payment, determined on a “grossed-up” basis) until such time as the continued coverage terminates or expires in accordance with COBRA (“COBRA Subsidy”). Upon her separation from the Company, Ms. Payner-Gregor executed a Release Agreement with the Company, effective as

[Table of Contents](#)

of June 1, 2018, pursuant to which Ms. Payner-Gregor received payment of the Interim Bonus and COBRA Subsidy, and Ms. Payner-Gregor and the Company each released certain claims against the other.

In connection with her appointment as our Chief Executive Officer, Ms. Ryan entered into a letter agreement with the Company, dated May 30, 2018, pursuant to which Ms. Ryan was entitled to an annual base salary of \$620,000 and participation in the Company's standard medical, health, and retirement plans available to its senior executive officers. Upon Ms. Ryan's termination without "cause" or resignation for "good reason" (each as defined in the letter agreement), Ms. Ryan was entitled to receive, subject to her execution of a general release of claims, a lump sum severance payment of \$50,000 and a 12-month subsidy for any COBRA continuation costs for Ms. Ryan and her dependents. However, the terms and provisions of the letter agreement were superseded by an Executive Employment Agreement between Ms. Ryan and the Company, dated as of November 1, 2018, as described below under "—Employment Agreements and Potential Payments upon Termination or Change in Control."

Departure of David Stern and Appointment of David Helkey

David Stern, our former Executive Vice President and Chief Financial Officer, departed the Company effective as of August 10, 2018. In connection with his departure, Mr. Stern and the Company entered into a Separation and Release Agreement, pursuant to which Mr. Stern became entitled to receive certain separation benefits described in his former Executive Employment Agreement with the Company, including 12 months of continued base salary (\$405,000 in the aggregate), a prorated bonus for fiscal year 2018, based on actual performance, and a 12-month COBRA subsidy; however, all of Mr. Stern's unvested equity awards were forfeited. Mr. Stern and the Company each released certain claims against the other pursuant to the Separation and Release Agreement.

David Helkey was appointed by the Board as our Chief Financial and Operating Officer, effective as of January 21, 2019. In connection with his appointment, Mr. Helkey entered into an Executive Employment Agreement with the Company, dated as of January 9, 2019, as described below under "—Employment Agreements and Potential Payments upon Termination or Change in Control."

Resignation of Ronald Masciantonio

Ronald Masciantonio, our former Executive Vice President and Chief Administrative Officer, resigned from the Company effective as of June 4, 2018. In connection with his departure, Mr. Masciantonio and the Company entered into a Separation and Release Agreement, pursuant to which Mr. Masciantonio became entitled to receive certain separation benefits described in his former Amended and Restated Executive Employment Agreement with the Company, including 12 months of continued base salary (\$425,000 in the aggregate), a prorated bonus for fiscal year 2018, based on actual performance, and a 12-month COBRA subsidy; however, all of Mr. Masciantonio's unvested equity awards were forfeited. Mr. Masciantonio and the Company each released certain claims against the other pursuant to the Separation and Release Agreement.

Consideration of Most Recent Stockholder Advisory Vote on Executive Compensation

During fiscal year 2018, we again conducted a "Say-On-Pay" stockholder advisory vote, as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. Approximately 43% of the shares voting were voted in favor of the non-binding, advisory vote on our executive compensation. However, this low result occurred in connection with a contested election at our 2018 Annual Meeting at which Ms. Windal, Ms. Alden, Mr. Morgan, and Ms. Ryan were elected to replace the former members of the Board of Directors. Following our 2018 Annual Meeting, except for pre-existing contractual obligations to certain executive officers, the Committee engaged in a comprehensive, ongoing restructuring of our executive compensation program, which is intended to align our named executive officers' interests with those of our stockholders in the continuing transformation of our Company.

Role of Compensation Consultant; Participation of Management in the Compensation Process

Prior to our 2018 Annual Meeting, the former Board of Directors and Committee sometimes solicited input from Korn Ferry Hay Group, an outside executive compensation consulting firm to assist it in evaluating the Company's executive compensation practices for senior management personnel. Following the 2018 Annual Meeting, the new Committee retained the services of Compensation Advisory Partners, an outside executive compensation consultant, to review the Company's executive compensation program and policies and to advise on the terms of Ms. Ryan's Executive Employment Agreement, as described below under "—Employment Agreements and Potential Payments upon Termination or Change in Control." The Committee assessed the independence of Compensation Advisory Partners and concluded that its work for the Company did not raise any conflict of interest.

In the course of providing advice to the Committee on potential employment terms for Ms. Ryan, Compensation Advisory Partners developed a peer group of similarly sized specialty retail and apparel companies that served as a general market reference for pay levels and pay practices. The peer group is described below under "—Peer Group."

The Committee requests input from time to time from members of management, including our Chief Executive Officer, regarding the Company's compensation practices, but the Committee is responsible for final decisions regarding any compensation for our named executive officers.

Peer Group

The peer group used by the Committee as a general market reference includes the specialty retail and apparel companies listed below. The companies were selected because they fell within the range of 0.5x to 2.5x the revenues that the Company reported in the prior year.

- Boot Barn Holdings, Inc.
- The Buckle, Inc.
- The Cato Corporation
- Christopher & Banks Corporation
- Citi Trends, Inc.
- Delta Apparel, Inc.
- Destination XL Group, Inc.
- Francesca's Holdings Corporation
- Iconix Brand Group, Inc.
- J.Jill, Inc.
- New York & Company, Inc.
- Rocky Brands, Inc.
- Tilly's Inc.
- Vera Bradley, Inc.
- Zumiez Inc.

Effect of Historical Contractual Arrangements

The Committee's compensation decisions are made in light of our current and foreseeable future circumstances and with an eye toward conformity with perceived "best practices." However, the Committee's approach to compensation in fiscal year 2018 was also influenced by our existing contractual commitments to certain named executive officers, which were in effect prior to our Board's election at the 2018 Annual Meeting. Certain of those contractual commitments were required to be honored upon the management departures described above, although our current Board of Directors and Committee did not negotiate the terms of such pre-existing commitments.

[Table of Contents](#)

Elements of Compensation

The principal elements of our named executive officers' compensation are: (1) base salary, (2) annual cash bonuses, (3) equity-based incentives, and (4) severance and change in control benefits. The Company provides limited perquisites to its employees and executives generally, including standard health and welfare benefit plans and participation in a 401(k) plan. Prior to their separations of employment with us, Messrs. Stem and Masciantonio also received automobile expense reimbursements, as described in the "Summary Compensation Table," below.

Base Salary

The base salary of each named executive officer constitutes compensation for discharging such named executive officer's job responsibilities, taking into account such factors as the individual executive's experience, tenure, and alternative employment opportunities. During fiscal year 2018, the base salaries applicable to our named executive officers were as follows: Ms. Ryan: \$620,000, reduced to \$350,000 on November 1, 2018 in connection with Ms. Ryan's entry into an Executive Employment Agreement with us; Mr. Helkey: \$275,000; Mr. Schriver: \$265,000; Ms. Payner-Gregor: \$620,000; Mr. Stem: \$405,000; and Mr. Masciantonio: \$425,000.

Annual Bonuses – Ms. Ryan and Mr. Helkey

Ms. Ryan and Mr. Helkey are entitled to an EBITDA-based cash bonus in each calendar year pursuant to a formula set forth in their employment agreements with us, as summarized in the table below:

If estimated adjusted EBITDA is...	Ms. Ryan's cash bonus earned is...	Mr. Helkey's cash bonus earned is...
Less than or equal to the Company's actual adjusted EBITDA for the prior year	1.2% of the difference between estimated adjusted EBITDA and \$0.	0.7% of the difference between estimated adjusted EBITDA and \$0.
Above the prior year's actual adjusted EBITDA but below budgeted adjusted EBITDA	1.2% of the prior year's actual adjusted EBITDA <i>plus</i> 3.5% of the difference between estimated adjusted EBITDA and the prior year's actual adjusted EBITDA.	0.7% of the prior year's actual adjusted EBITDA <i>plus</i> 2.5% of the difference between estimated adjusted EBITDA and the prior year's actual adjusted EBITDA.
Above budgeted adjusted EBITDA	1.2% of the prior year's actual adjusted EBITDA <i>plus</i> 3.5% of the difference between budgeted adjusted EBITDA and the prior year's actual adjusted EBITDA <i>plus</i> 7.0% of the difference of estimated adjusted EBITDA and budgeted adjusted EBITDA.	0.7% of the prior year's actual adjusted EBITDA <i>plus</i> 2.5% of the difference between budgeted adjusted EBITDA and the prior year's actual adjusted EBITDA <i>plus</i> 5.0% of the difference of estimated adjusted EBITDA and budgeted adjusted EBITDA.

However, Ms. Ryan's and Mr. Helkey's total annual cash compensation (*i.e.*, base salary and cash bonus) are subject to a cap of \$2,000,000 and \$1,200,000, respectively. Ms. Ryan's annual bonus for 2018 was determined based on adjusted EBITDA for our second through fourth quarters of 2018 and prorated based on the number of days that Ms. Ryan was employed with us during such quarters. Mr. Helkey's annual bonus for 2018 was determined based on adjusted EBITDA for fiscal 2018 and prorated based on the number of days Mr. Helkey was employed during such fiscal year.

Payments of the annual cash bonus are generally payable in 12 monthly "draws" after the Company estimated adjusted EBITDA for an applicable year is determined, subject to "true up" following the completion of the Company's audited financials for such year. The Committee believes that adjusted EBITDA is the appropriate performance metric for annual bonus purposes because it believes that continued profitability will be the key driver to increase stockholder value.

[Table of Contents](#)

For purposes of calculating the 2018 bonus payable to Ms. Ryan (which was based on adjusted EBITDA for our second through fourth quarters of 2018), our budgeted adjusted EBITDA was \$11,657,000 and our prior year's actual adjusted EBITDA was \$6,688,000. Based on an estimated adjusted EBITDA for 2018 of \$8,172,000, Ms. Ryan received a prorated bonus in respect of 2018 of \$120,553, which is reported in the "Non-Equity Incentive Compensation" column of the "Summary Compensation Table," below.

For purposes of calculating the 2018 bonus payable to Mr. Helkey, our budgeted adjusted EBITDA was \$21,012,000 and our prior year's actual adjusted EBITDA was \$13,012,000. Based on an estimated adjusted EBITDA for 2018 of \$16,026,000, Mr. Helkey received a prorated bonus in respect of 2018 of \$5,472, which is reported in the "Non-Equity Incentive Compensation" column of the "Summary Compensation Table," below.

Annual Bonus – Mr. Schriver

In March 2018, the former Committee established fiscal year 2018 performance criteria and a target bonus for Mr. Schriver (set at 40% of base salary, with a threshold bonus of 3% of base salary and a maximum bonus of 60% of base salary). This bonus was subject to achieving a prescribed level of adjusted EBITDA, which the former Committee defined as earnings before interest, taxes, depreciation and amortization, adjusted to exclude the impact of: (i) loss on impairment of tangible or intangible assets; (ii) gain or loss on disposal of assets; (iii) gain or loss from the early extinguishment, redemption, or repurchase of debt; (iv) stock-based compensation expense; (v) any expenses incurred by the Company in connection with certain extraordinary, unusual, or infrequently occurring events reported in the Company's public filings; and (vi) the impact of any changes to accounting principles that become effective during the 2018 fiscal year. The level of adjusted EBITDA that would yield a threshold payout was \$16,000,000; the level of adjusted EBITDA that would yield a target payout was \$21,000,000; and the level of adjusted EBITDA that would yield a maximum payout was \$33,400,000. Based on an achieved adjusted EBITDA of \$16,026,000 for fiscal year 2018, Mr. Schriver was entitled to receive a bonus in respect of fiscal year 2018 of \$11,130, which is reported in the "Non-Equity Incentive Compensation" column of the "Summary Compensation Table," below.

Annual Bonuses – Messrs. Stern and Masciantonio

In March 2018, the former Committee established fiscal year 2018 performance criteria and target bonuses for each of Messrs. Stern and Masciantonio (set at 60% of base salary, with a threshold bonus of 6% of base salary and a maximum bonus of 120% of base salary). These bonuses were subject to achieving a prescribed level of adjusted EBITDA, which the former Committee defined as earnings before interest, taxes, depreciation and amortization, adjusted to exclude the impact of: (i) loss on impairment of tangible or intangible assets; (ii) gain or loss on disposal of assets; (iii) gain or loss from the early extinguishment, redemption, or repurchase of debt; (iv) stock-based compensation expense; (v) any expenses incurred by the Company in connection with certain extraordinary, unusual, or infrequently occurring events reported in the Company's public filings; and (vi) the impact of any changes to accounting principles that become effective during the 2018 fiscal year. The level of adjusted EBITDA that would yield a threshold payout was \$16,000,000; the level of adjusted EBITDA that would yield a target payout was \$21,000,000; and the level of adjusted EBITDA that would yield a maximum payout was \$33,400,000.

Because Messrs. Stern's and Masciantonio's employment with us ended prior to the end of fiscal year 2018, each was entitled only to a prorated bonus for fiscal year 2018, based on actual performance and prorated for the period of time during fiscal year 2018 that he remained employed with us. Based on an achieved adjusted EBITDA of \$16,026,000 for fiscal year 2018, Messrs. Stern and Masciantonio were entitled to receive a bonus in respect of fiscal year 2018 of \$13,324 and \$8,999, respectively, which are reported in the "Non-Equity Incentive Compensation" column of the "Summary Compensation Table," below.

Table of Contents

Equity-Based Incentives

The Committee believes that equity awards, when appropriately structured, provide powerful long-term incentives and align the interests of the named executive officers with the interests of our stockholders. Accordingly, we emphasize equity in the total compensation packages provided to our named executive officers. Equity awards are made under our Amended and Restated 2005 Equity Incentive Plan.

Equity Awards for Fiscal Year 2018 – Ms. Ryan and Mr. Helkey

In connection with entering into their Executive Employment Agreements with us, Ms. Ryan and Mr. Helkey were each granted an initial equity award. Ms. Ryan's initial award, granted on November 1, 2018, was comprised as follows: 30% of the total value in stock options to purchase shares of our Common Stock, 20% of the total value in time-based restricted stock units ("RSUs"), and 50% of the total value in performance-based restricted stock units ("PSUs"). Mr. Helkey's initial award, granted on January 23, 2019, was comprised as follows: 20% of the total value in stock options to purchase shares of our Common Stock, 20% of the total value in RSUs, and 60% of the total value in PSUs. The number of each type of award granted to Ms. Ryan and Mr. Helkey are summarized in the table below:

<u>Name</u>	<u>Stock Options</u> <u>(#)</u>	<u>RSUs</u> <u>(#)</u>	<u>PSUs</u> <u>(#)</u>
Marla Ryan	71,985	30,188	75,471
David Helkey	19,666	12,618	37,855

The options are designed as an incentive to reward absolute increases in the price of our Common Stock, while the RSUs are designed to encourage retention. The PSUs are designed to reward relative total stockholder return ("RTSR") compared to peer companies over an approximate three-year performance period, as described in further detail below.

The options and RSUs vest in four equal installments on each of the first four anniversaries of November 1, 2018 (in the case of Ms. Ryan) or January 21, 2019 (in the case of Mr. Helkey), subject to continued employment on the applicable vesting date (but subject to accelerated vesting if the executive is terminated without "cause" or resigns for "good reason" within two years of (or for Mr. Helkey, within 18 months following) the consummation of a "change in control," and, in the case of Ms. Ryan, prorated vesting upon a termination by reason of death or disability).

The PSUs vest over a performance period, which, for Ms. Ryan, begins on May 29, 2018 and ends on January 30, 2021, and for Mr. Helkey, begins on January 21, 2019 and ends on January 30, 2022, based on our RTSR over the performance period and generally subject to continued employment through the date that our earnings are released with respect to the fiscal year ending on the last day of the performance period (but subject to accelerated vesting at the target level if the executive is terminated without "cause" or resigns for "good reason" within two years of (or for Mr. Helkey, within 18 months following) the consummation of a "change in control," and, for Ms. Ryan, eligibility for prorated vesting, based on actual performance, upon a termination by reason of death or disability). The RTSR will be measured with respect to a peer group selected by the Committee and will reflect a 20-trading day average stock price immediately prior to the beginning and end of the performance period. An executive may earn between 0% and 200% of the target PSUs granted, based on the following scale:

<u>If RTSR Is...</u>	<u>Then the</u> <u>Percentage of</u> <u>Target PSUs</u> <u>Earned Is...</u>
Below the 25 th Percentile	0%
At the 25 th Percentile	50%
At the 55 th Percentile	100%
At the 75 th Percentile or Above	200%

[Table of Contents](#)

The number of PSUs earned will be interpolated on a straight-line basis for performance in between the applicable levels. However, if our total stockholder return is negative over the performance period, the number of PSUs earned cannot exceed the target number.

The Committee chose RTSR as a performance measure because the retail industry is volatile and the Company is engaged in a sweeping transformation process. This ongoing transformation process makes it difficult to identify budget-based financial or operational measures with sufficient precision to use for long-term incentive purposes, but the RTSR metric allows the Committee to reward the senior team if the Company outperforms its peer group.

Equity Awards for Fiscal Year 2018 – Mr. Schriver

On March 13, 2018, the former Committee approved the grant of 20,000 shares of time-based restricted stock and 20,000 time-based options to purchase our Common Stock to Mr. Schriver, each such award subject to service-based vesting in equal annual installments over the four-year period commencing on the grant date, which was April 20, 2018. The former Committee concluded that these awards were appropriate and necessary to retain and motivate Mr. Schriver during a period of leadership transition.

Equity Awards for Fiscal Year 2018 – Messrs. Masciantonio and Stern

On March 13, 2018, the former Committee approved the grant of 35,000 shares of time-based restricted stock and 35,000 time-based options to purchase our Common Stock to each of Messrs. Masciantonio and Stern, each such award subject to service-based vesting in equal annual installments over the four-year period commencing on the grant date, which was April 20, 2018, subject to accelerated vesting upon a change in control. The former Committee concluded that these awards were appropriate and necessary to retain and motivate key employees during a period of leadership transition. On March 13, 2018, the Compensation Committee also modified time-based equity awards granted to Messrs. Masciantonio and Stern in October 2017 to provide for accelerated vesting upon a change in control. This reconciled the change in control treatment of the October 2017 awards to that of both prior and subsequent awards.

As described above under “—Departure of David Stern and Appointment of David Helkey” and “—Resignation of Ronald Masciantonio,” all of Mr. Stern’s and Mr. Masciantonio’s unvested equity awards were forfeited in connection with their respective terminations of employment.

Severance and Change in Control Benefits

The specific terms of our severance and change in control arrangements are discussed below under the heading “—Employment Agreements and Potential Payments upon Termination or Change in Control.”

Additional Compensation Information

Tax and Accounting Considerations Affecting Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1.0 million on the amount of compensation a public company may deduct for federal income tax purposes in any one year paid to certain “covered employees.” For taxable years ending December 31, 2017 and earlier, “covered employees” generally referred to the company’s chief executive officer and its next three most highly compensated executive officers (other than the chief financial officer). However, for taxable years after December 31, 2017, chief financial officers are included in the definition of “covered employees,” and the definition additionally extends to any individual who is (or was) a covered employee for any taxable year beginning after December 31, 2016.

[Table of Contents](#)

For taxable years prior to December 31, 2017, this limitation did not apply to compensation that was considered “qualified performance based compensation” under the rules of Section 162(m). This exemption was repealed by recent legislation, such that compensation paid to our covered executive officers in excess of \$1.0 million will not be deductible unless it qualifies for transitional relief applicable to certain arrangements in place as of November 2, 2017 (the scope of which remains uncertain).

The deductibility of compensation is just one in a variety of considerations relevant to the design of our compensation program, and as such, the Committee reserves the right to grant compensation that may not be tax deductible under the provisions of Section 162(m) or otherwise.

Stock Ownership Guidelines

We have formal stock ownership guidelines in place for our named executive officers, which require that:

- The Chief Executive Officer own shares of our Common Stock having a fair market value equal to or greater than three times her then-current annual base salary; and
- Each other named executive officer own shares of our Common Stock having a fair market value equal to or greater than his or her then current annual base salary.

Named executive officers are required to attain the specified level of stock ownership within five years of the named executive officer’s appointment. The failure of a named executive officer to comply with these guidelines will be considered by the Committee when determining future equity grants for such named executive officer. Compliance with these guidelines may be waived at the discretion of the Board. We believe that these ownership guidelines will provide a significant incentive for each of the named executive officers to ensure that his or her actions, and the actions of all those reporting to such officer, are focused on the creation of sustainable stockholder value and the avoidance of excessive risk. All of our named executive officers who remain employed with us are within the five-year grace period under the guidelines to achieve the required level, and none of our named executive officers have yet achieved the required level.

Clawbacks

The Committee continues to evaluate the implementation of a clawback policy and intends to adopt such a policy after the SEC provides further guidance on that issue.

Employment Agreements and Potential Payments upon Termination or Change in Control

We have entered into employment agreements with Ms. Ryan and Messrs. Helkey and Schriver that provide payments and benefits in the event of a termination of employment under various circumstances, including in connection with a “change in control.” The discussion below describes these employment agreements, including a description of the compensation payable to each such executive upon these various termination events.

As described in further detail above, Ms. Payner-Gregor, Mr. Stern, and Mr. Masciantonio all separated from employment with us during fiscal year 2018; please refer to the “Summary Compensation Table” and the discussions above under “—Resignation of Melissa Payner-Gregor and Appointment of Marla Ryan,” “—Departure of David Stern and Appointment of David Helkey,” and “Resignation of Ronald Masciantonio” for a description of the separation payments and benefits provided in connection with their respective terminations.

Executive Employment Agreement with Ms. Ryan

The Company entered into an Executive Employment Agreement with Ms. Ryan on November 1, 2018 (the “CEO Employment Agreement”). The initial term of the CEO Employment Agreement is for three years, subject to automatic, successive one-year renewals unless either the Company or Ms. Ryan provides notice of non-renewal at least 90 days prior to expiration. Under the terms of the CEO Employment Agreement, Ms. Ryan is entitled to a base salary of \$350,000 (subject to annual review by the Committee), the annual EBITDA-based cash bonus described above under “—Annual Bonuses – Ms. Ryan and Mr. Helkey,” and participation in the Company’s general employee benefit programs available to senior executives. The CEO Employment Agreement also entitled Ms. Ryan to receive the initial equity grants described above under “—Equity Awards for Fiscal Year 2018 – Ms. Ryan and Mr. Helkey.”

Upon a termination of Ms. Ryan’s employment by the Company without “cause” or by Ms. Ryan for “good reason,” Ms. Ryan would be entitled to receive: (i) payment of all accrued and unpaid base salary through the date of such termination; (ii) payment of any cash bonus not yet paid, but earned for the calendar year in which Ms. Ryan’s employment is terminated; (iii) payment of (a) six months of base salary, in the event that such termination occurs in the first 12 months of the term of the CEO Employment Agreement; (b) nine months of base salary, in the event that such termination occurs in the second year of the term of the CEO Employment Agreement; and (c) 12 months of base salary, in the event that such termination occurs in the third year of the term of the CEO Employment Agreement or thereafter; and (iv) a 12-month COBRA subsidy. However, if the severance event occurs within two years after a “change in control,” then the salary continuation referenced in clause (iii) above will be increased to 24 months and will be payable in one lump sum, and the COBRA subsidy referenced in clause (iv) above will be increased from 12 to 18 months. Ms. Ryan’s severance benefits are subject to her execution and delivery of a release of claims in favor of the Company.

As described above under “—Equity Awards for Fiscal Year 2018 – Ms. Ryan and Mr. Helkey,” if Ms. Ryan is terminated without “cause” or resigns for “good reason” within two years of the consummation of a “change in control,” then Ms. Ryan’s initial option grant, RSU grant, and PSU grant would immediately vest (with the PSUs vesting at the “target” level). In addition, Ms. Ryan would be entitled to prorated vesting of such awards and a prorated cash bonus upon a termination by reason of death or disability.

The CEO Employment Agreement contains certain non-competition and non-solicitation provisions which operate during Ms. Ryan’s employment. In addition, the non-competition covenants continue to apply following Ms. Ryan’s employment with the Company for: (i) nine months, following a cessation of employment within the first 12 months of the term of the CEO Employment Agreement; or (ii) 12 months, following a cessation of employment at any time after the first 12 months of the term of the CEO Employment Agreement. The non-solicitation covenants continue to apply following Ms. Ryan’s employment with the Company for 12 months following a cessation of employment at any time. In addition to the foregoing, Ms. Ryan is subject to perpetual confidentiality and non-disparagement covenants.

The initial term of the CFO Employment Agreement is for three years (commencing on January 21, 2019), subject to automatic, successive one-year renewals unless either the Company or Mr. Helkey provides notice of non-renewal at least 90 days prior to expiration. Under the terms of the CFO Employment Agreement, Mr. Helkey is entitled to a base salary of \$275,000 (subject to annual review by the Committee), the annual EBITDA-based cash bonus described above under “—Annual Bonuses – Ms. Ryan and Mr. Helkey,” and participation in the Company’s general employee benefit programs available to senior executives. The CFO Employment Agreement also entitled Mr. Helkey to receive the initial equity grants described above under “—Equity Awards for Fiscal Year 2018 – Ms. Ryan and Mr. Helkey.” In addition, the CFO Employment Agreement provides Mr. Helkey with a one-time relocation reimbursement package in the aggregate amount of \$30,000 to be used in connection with Mr. Helkey’s relocation to the Moorestown, New Jersey area (none of which was paid in fiscal year 2018). In addition, until the earlier of the completion of such relocation or six months following Mr. Helkey’s start date, the Company will reimburse Mr. Helkey for pre-approved temporary housing costs and travel costs for up to three round trips per month between Mr. Helkey’s current residence and the Company’s principal executive offices (but no such payments were made in fiscal year 2018). The Company will also provide Mr. Helkey with a tax gross-up for taxes incurred in connection with the relocation reimbursements. The relocation reimbursements and related gross-up are subject to repayment by Mr. Helkey if, within 36 months after his last reimbursement, he fails to maintain a residence in the Moorestown, New Jersey area without the Company’s consent, resigns without “good reason,” or is terminated for “cause.”

Upon a termination of Mr. Helkey’s employment by the Company without “cause” or by Mr. Helkey for “good reason,” Mr. Helkey would be entitled to receive: (i) payment of all accrued and unpaid base salary through the date of such termination; (ii) payment of any cash bonus not yet paid, but earned for the calendar year in which Mr. Helkey’s employment is terminated; (iii) payment of (a) six months of base salary, in the event that such termination occurs in the first 12 months of the term of the CFO Employment Agreement; (b) nine months of base salary, in the event that such termination occurs in the second year of the term of the CFO Employment Agreement; and (c) 12 months of base salary, in the event that such termination occurs in the third year of the term of the CFO Employment Agreement or thereafter; and (iv) a six-month COBRA subsidy. However, if the severance event occurs within 18 months after a “change in control,” then the salary continuation referenced in clause (iii) above will be 12 months in all circumstances, and the COBRA subsidy referenced in clause (iv) above will be increased from six to 12 months. Mr. Helkey’s severance benefits are subject to his execution and delivery of a release of claims in favor of the Company.

As described above under “—Equity Awards for Fiscal Year 2018 – Ms. Ryan and Mr. Helkey,” if Mr. Helkey is terminated without “cause” or resigns for “good reason” within 18 months following the consummation of a “change in control,” then Mr. Helkey’s initial option grant, RSU grant, and PSU grant would immediately vest (with the PSUs vesting at the “target” level).

The CFO Employment Agreement contains certain non-competition and non-solicitation provisions which operate during Mr. Helkey’s employment and for 12 months following Mr. Helkey’s termination for any reason. In addition, Mr. Helkey is subject to perpetual confidentiality and non-disparagement covenants.

Executive Employment Agreement with Mr. Schriver

The Company entered into an Executive Employment Agreement with Mr. Schriver on December 4, 2017 (the “CAO Employment Agreement”). The CAO Employment Agreement does not have a defined term and will be in effect until Mr. Schriver’s termination of employment. Under the terms of the CAO Employment Agreement, Mr. Schriver is entitled to an initial base salary of \$265,000 and an initial target bonus of 40% of his base salary (subject to annual review by the Chief Executive Officer).

[Table of Contents](#)

Upon a termination of Mr. Schriver's employment by the Company without "cause" or by Mr. Schriver for "good reason," Mr. Schriver would be entitled to receive: (i) payment of all accrued and unpaid base salary through the date of such termination; (ii) payment of any cash bonus not yet paid, but earned for the calendar year in which Mr. Schriver's employment is terminated; (iii) payment of 26 weeks of base salary; and (iv) a 26-week COBRA subsidy. However, if the severance event occurs within 24 months after a "change in control," then the salary continuation referenced in clause (iii) above will be 52 weeks, plus an additional 40% of his base salary, in all circumstances, and the COBRA subsidy referenced in clause (iv) above will be increased from 26 weeks to 52 weeks. Mr. Schriver's severance benefits are subject to his execution and delivery of a release of claims in favor of the Company.

The CAO Employment Agreement contains certain non-competition and non-solicitation provisions which operate during Mr. Schriver's employment and for the greater of (i) six months following Mr. Schriver's termination for any reason and (ii) the period of time during which he receives his cash severance benefits. In addition, Mr. Schriver is subject to perpetual confidentiality covenants.

**RATIFICATION OF
APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS
(PROPOSAL 2)**

The Audit Committee of our Board of Directors has appointed the firm of BDO as independent registered public accountants to audit and report on the consolidated financial statements of the Company and its subsidiaries for fiscal year 2019, and to perform such other appropriate accounting and related services as may be required by the Audit Committee. BDO has served as our independent registered public accountants since April 16, 2019. The Board of Directors recommends that the stockholders ratify such selection. This appointment will be submitted to the stockholders for ratification at the Annual Meeting.

The submission of the appointment of BDO is not required by law or by the By-laws of the Company. The Board of Directors is nevertheless submitting it to the stockholders to ascertain their views. If the stockholders do not ratify the appointment, the selection of other independent registered public accountants will be considered by the Board of Directors. If BDO shall decline to accept or become incapable of accepting its appointment, or if its appointment is otherwise discontinued, the Board of Directors will appoint other independent registered public accountants.

A representative of BDO is expected to be present at the Annual Meeting. The representative will have the opportunity to make a statement and will be available to respond to appropriate questions.

The Board of Directors recommends that you vote FOR this Proposal 2 to ratify the appointment of BDO as independent registered public accountants for fiscal year 2019.

Change in Independent Auditors

As previously disclosed, on April 10, 2019, the Company notified KPMG LLP (“KPMG”) that it would dismiss KPMG as the Company’s independent registered public accounting firm immediately upon completion of its audit of the Company’s consolidated financial statements as of and for the fiscal year ended February 2, 2019 and the issuance of its report thereon, which occurred on April 16, 2019, concurrent with the filing of the Company’s Annual Report on Form 10-K. The dismissal of KPMG was approved by the Audit Committee of the Board of Directors of the Company (the “Audit Committee”). KPMG’s reports on the Company’s consolidated financial statements for the fiscal years ended February 2, 2019 and February 3, 2018 did not contain an adverse opinion or a disclaimer opinion and were not qualified as to uncertainty, audit scope or accounting principles.

As previously disclosed, during the Company’s two most recent fiscal years ended February 2, 2019 and February 3, 2018, and the subsequent interim period through April 16, 2019, there were: (i) no disagreements, within the meaning of Item 304(a)(1)(iv) of Regulation S-K promulgated under the Exchange Act (“Regulation SK”) and the related instructions thereto, with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of the disagreements in connection with its reports and (ii) no “reportable events” within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The Company provided KPMG with a copy of the above disclosure prior to its filing on the Company’s Current Report on Form 8-K, and requested KPMG to furnish the Company with a letter addressed to the SEC stating whether it agreed with the above statements and, if not, stating the respects in which it did not agree. A copy of KPMG’s letter dated April 16, 2019, is filed as Exhibit 16.1 to the Current Report on Form 8-K filed by the Company on April 16, 2019.

As previously disclosed, on April 16, 2019, the Company engaged BDO as its independent registered public accounting firm for the Company’s fiscal year ending February 1, 2020. The decision to engage BDO as the Company’s independent registered public accounting firm was approved by the Audit Committee. During the Company’s two most recent fiscal years ended February 2, 2019 and February 3, 2018, and the subsequent

[Table of Contents](#)

interim period through April 16, 2019, neither the Company nor anyone acting on its behalf consulted with BDO regarding: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report nor oral advice was provided to the Company that BDO concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions; or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

The change in independent auditors was previously disclosed in the Company's Current Report on Form 8-K filed with the SEC on April 16, 2019.

Auditor Fees and Services

The following is a summary of the fees billed to the Company by KPMG for professional services rendered for fiscal years 2018 and 2017:

Fee Category	Fiscal Year 2018 Fees (\$)	Fiscal Year 2017 Fees (\$)
Audit Fees (1)	879,025	869,484
Audit-Related Fees (2)	0	272,500
Tax Fees (3)	180,375	174,356
Non-Audit Related Fees (4)	1,780	203,650
Total Fees	1,061,180	1,519,990

- (1) Audit Fees consist of fees billed for professional services rendered for the annual audit of the Company's consolidated financial statements and internal control over financial reporting, for reviews of the interim financial statements included in the Company's quarterly reports on Form 10-Q, and for services provided in connection with certain statutory and regulatory filings, including consents.
- (2) Audit-Related Fees consist of fees billed for professional services rendered for audit-related services including consultations on proposed financial accounting and reporting related matters.
- (3) Tax Fees consist of fees billed for professional services relating to tax compliance and other tax advice.
- (4) Non-Audit Related Fees consist of fees billed for annual subscription fees for accounting research tools and professional services for due diligence assistance relating to the formerly proposed merger with Orchestra.

The Audit Committee's pre-approval policies and procedures provide for pre-approval of audit, audit-related, tax and other services. Unless a type of service to be provided by the independent registered public accountants has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved fee levels require specific pre-approval by the Audit Committee. The pre-approval fee levels for all services to be provided by the independent registered public accountants are established annually by the Audit Committee. The Audit Committee pre-approved all audit, audit-related and non-audit services described above rendered to the Company by KPMG during fiscal years 2017 and 2018 and has pre-approved similar services to be rendered by BDO during the fiscal year 2019. The Audit Committee believes the rendering of these services is not incompatible with the independent registered public accountants maintaining their independence.

**ADVISORY VOTE RELATED TO EXECUTIVE COMPENSATION
(PROPOSAL 3)**

The requirements of the Securities Exchange Act of 1934 and the related rules of the SEC enable our stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules. At our Annual Meeting of Stockholders held in October 2017, our stockholders were asked to vote on whether the "Say-on-Pay" advisory vote should be held annually, every two years, or every three years. Our stockholders indicated a preference for holding such a vote on an annual basis. Our Board of Directors determined, as a result of such vote on the frequency of the advisory vote to approve our executive compensation, that we will hold a "Say-On-Pay" stockholder advisory vote to approve our executive compensation every year.

As described in detail under the heading "Executive Compensation," our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Please read the "Executive Compensation" discussion above for additional details about our executive compensation programs, including information about the fiscal year 2018 compensation of our named executive officers.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this Proxy Statement. This proposal, commonly known as a "Say-on-Pay" proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, we will ask our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure."

The "Say-on-Pay" vote is advisory, and therefore not binding on the Company, the Compensation Committee, or our Board of Directors. Nonetheless, our Board of Directors and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that you vote FOR this Proposal 3 to ratify the compensation of the named executive officers.

ADDITIONAL INFORMATION

Distribution of Proxy Materials

To expedite delivery, reduce our costs and decrease the environmental impact of our proxy materials, we have used “Notice and Access” in accordance with an SEC rule that permits us to provide proxy materials to our shareholders over the Internet. By April 25, 2019, we would have mailed a Notice of Internet Availability of Proxy Materials (“Notice”) to many of our shareholders containing instructions on how to access our proxy materials online. If you received a Notice, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in our proxy materials. The Notice also instructs you on how you may submit your proxy via the Internet. If you received a notice by mail and would like to receive paper copies of our proxy materials in the mail, you may follow the instructions in the notice for making this request.

Solicitation of Proxies; Expenses

We are required by law to convene an annual meeting of stockholders at which directors are elected. Because our shares are widely held, it would be impractical for our stockholders to meet physically in sufficient numbers to hold a meeting. Accordingly, proxies are solicited from our stockholders. This solicitation of proxies is being made by the Board of Directors and all expenses of this solicitation will be borne by the Company. These costs include, among other items, the expense of preparing, assembling, printing and mailing the notice and proxy materials to stockholders of record and beneficial owners, and reimbursements paid to brokerage firms, banks and other fiduciaries for their reasonable out-of-pocket expenses for forwarding the notice and proxy materials to stockholders and obtaining beneficial owner’s voting instructions. In addition to soliciting proxies by mail, directors, officers and employees may solicit proxies on behalf of the Board of Directors, without additional compensation, personally or by telephone. We may also solicit proxies by email from stockholders who are our employees or who previously requested to receive proxy materials electronically.

Forward-Looking Statements

The Company cautions that any forward-looking statements (as such term is defined in the Private Securities Litigation Reform Act of 1995) contained in this Proxy Statement or made from time to time by management of the Company, including those regarding various business initiatives, involve risks and uncertainties, and are subject to change based on various important factors. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. The Company assumes no obligation to update or revise the information contained in this announcement (whether as a result of new information, future events or otherwise), except as required by applicable law.

Householding of Notice and Proxy Materials

As permitted by the SEC, only one copy of the Notice or proxy materials is being delivered to shareholders residing at the same address, unless the shareholders have notified the Company of their desire to receive multiple copies of the Notice or proxy materials. This is known as “householding.” The Company will promptly deliver, upon oral or written request, a separate copy of the Notice or proxy materials to any shareholders residing at an address to which only one copy was mailed. Requests for additional copies should be directed to: Destination Maternity Corporation, 232 Strawbridge Drive, Moorestown, New Jersey 08057, telephone (856) 291-9700. We will send an individual copy of the Notice or proxy materials to any stockholder who revokes their consent to householding within 30 days of our receipt of such revocation.
